

UNICORN

BUILD A STARTUP. BETRAY YOUR FRIENDS.

First to \$1B valuation wins. Only one of you.

3–5 PLAYERS / ~45 MIN TARGET / VALUATION ONLY

THE WHOLE TURN

01 DRAW 1

Keep at most 7 cards. Discard any excess immediately.

02 PLAY UP TO 2

Use an effect OR place a card face-up for its valuation.

03 COUNT & PASS

End your turn at \$1,000M after reactions to win.

SETUP: Choose 1 of 3 Startup cards; start at \$50M. Deal 5 random cards to each player. Keep your hand hidden. Your startup stays face-up.

YOUR HAND HOLDS THE MYSTERY.

Bank a tactic for +\$10M, or keep it to attack or defend. A banked card cannot use its effect later. Defenses from hand are free reactions.
